

REMARKS

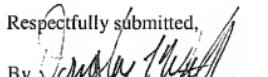

Applicants thank the Examiner for holding an interview with Applicants' representative on March 4, 2010. These remarks summarize the substance of the interview.

In an Office Action mailed December 9, 2009, the Examiner rejected claim 24 as unclear, but indicated that the application was otherwise in condition for allowance. By the present amendment, claim 24 is amended to clarify the language.

At the interview, it was agreed that the changes to claim 24 address the current rejection.

In view of the above amendment, Applicants believe the pending application is in condition for allowance.

Dated: March 8, 2010
